

Remarks

The term and the definition of the term "conductive" has been substituted for the definition of "conductivity".

The reference U.S. Patent No. 5,840,425 has just come to our attention. A second Form PTO/SB/08A Information Disclosure Statement by Applicant containing said reference is herewith provided.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "H. S. Jaudon", written in a cursive style.
